The public is also reminded that H1N1 Flu shots are also available for free everyday in our Bakersfield office (1800 Mt. Vernon Avenue) and by appointment in our District Offices. For the most current updates on both clinics and vaccine availability information, please call 1-877-81-VIRUS or check Kern County Public Health's web site <http://www.co.kern.ca.us/health/>.

“Although we have opened up the eligibility criteria, it is still very important for those who are at highest risk to come for a vaccination,” said Dr. Claudia Jonah, Kern County Health Officer.

Dr. Jonah adds, “The high risk target groups for H1N1 Flu Vaccine include:

- Children 6 months to 24 years;
- Pregnant Women;
- Caregivers of children 6 months of age and younger;
- Persons with Underlying Health Conditions 24 years to 64 years; and
- Healthcare Workers.”

Public Health is planning more clinics through out Kern County and will release those dates and locations as details are confirmed.
