

AGENDA**KERN COUNTY EMERGENCY MEDICAL CARE ADVISORY BOARD (EMCAB)**

**Kern County Administrative Center
Board of Supervisors Chambers
1115 Truxtun Avenue
Bakersfield CA, 93301**

REGULAR MEETING**THURSDAY – November 13th, 2025****4:00 P.M.****Roll Call:**

Supervisor Flores, Sheriff Youngblood, Deputy Chief Linville, Leslie Wilmer, Orchel Krier, Scott Hurlbert, Dr. Franklin, Tyler Whitezell, John Surface, Dr. Lyon

SALUTE TO FLAG**Consent Agenda (CA):**

All items listed with a “CA” are considered by program staff to be routine and non-controversial. The “CA” represents the consent agenda for the Board members of EMCAB. Consent items will be considered first and may be approved in one motion. If a member of the audience wishes to comment or ask questions regarding an item or items on the consent agenda, they may do so prior to a vote being taken on the consent agenda. A member of EMCAB may remove any item from the consent agenda and it will be considered in listed sequence with an opportunity for any member of the public to address EMCAB concerning the item before action is taken.

PUBLIC PRESENTATIONS

1) This portion of the meeting is reserved for persons to address the Board on any matter not on this Agenda but under the jurisdiction of the Board. Board members may respond briefly to statements made or questions posed. They may ask a question for clarification, make a referral to staff for factual information or request staff to report back to the Board at a later meeting. Also, the Board may take action to direct the staff to place a matter of business on a future agenda. **SPEAKERS ARE LIMITED TO TWO MINUTES. PLEASE STATE AND SPELL YOUR NAME BEFORE MAKING YOUR PRESENTATION.**

Grounded in Health

BOARD MEMBER ANNOUNCEMENTS OR REPORTS

2) Board Member Announcements or Reports:

On their own initiative, Board members may make an announcement or report on their own activities. They may ask a question for clarification, make a referral to staff, or take action to have staff place a matter of business on a future agenda. (Government Code Section 54954.2[a][2])

EMERGENCY MEDICAL SERVICES PROGRAM REQUESTS

3) Managers' report – RECEIVE AND FILE

4) APOT Task Force Report – RECEIVE AND FILE

CA – 5) Quarterly Maddy Fund Report – RECEIVE AND FILE

CA – 6) Legislation Report – RECEIVE AND FILE

AMERICAN'S WITH DISABILITIES ACT

(Government Code Section 54953.2)

The Board of Supervisors Chamber is accessible to persons with disabilities. Disabled individuals who need special assistance to attend or participate in a meeting of the Kern County Emergency Medical Care Advisory Board may request assistance at the Kern County Public Health at 1800 Mount Vernon Avenue, Bakersfield, 93306 or by calling (661) 321-3000. Every effort will be made to reasonably accommodate individuals with disabilities by making meeting materials available in alternative formats. Requests for assistance should be made at least three (3) working days in advance whenever possible.

(Bonta D) Alternative birth centers: licensing and Medi-Cal reimbursement.

Current Text: Enrollment: 9/16/2025 [html](#) [pdf](#)

Last Amend: 9/2/2025

Status: 9/16/2025-Enrolled and presented to the Governor at 2 p.m.

Location: 9/16/2025-A. ENROLLED

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Existing law provides for the licensure and regulation of various types of clinics, including alternative birth centers, by the State Department of Public Health, and makes a violation of those provisions a crime. Existing law defines an alternative birth center as a clinic that is not part of a hospital and that provides comprehensive perinatal services and delivery care to pregnant women who remain less than 24 hours at the facility. Existing law requires a licensed alternative birth center specialty clinic, and a licensed primary care clinic that provides services as an alternative birth center, to meet certain criteria, including, among others, being located in proximity to a facility with the capacity for management of obstetrical and neonatal emergencies, as specified. Existing law establishes the Medi-Cal program, which is administered by the State Department of Health Care Services and under which qualified low-income individuals receive health care services. The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. Existing law sets forth certain criteria for Medi-Cal reimbursement to alternative birth centers for facility-related delivery costs. Under existing law, as a criterion under both the licensing provisions and the Medi-Cal reimbursement provisions described above, the facility is required to be a provider of comprehensive perinatal services as defined in the Medi-Cal provisions. This bill would remove, under both sets of criteria, the certification condition of being a provider of comprehensive perinatal services as defined in the Medi-Cal provisions. The bill would require the facility to provide perinatal services that are comprehensive in nature, as specified, consistent with certain standards. The bill would remove the above-described proximity requirement and would instead require a written policy for hospital transfer. The bill would require the policy to include certain requirements relating to, among other things, arrangements for the referral of a complication, arrangements for the transfer of care, provision of medical records, information about the estimated transfer time, and a clear explanation of the facility's overall emergency transfer plan, as specified. This bill contains other related provisions and other existing laws.

(Sanchez R) Pupil health: epinephrine delivery systems.

Current Text: Introduced: 1/13/2025 [html](#) [pdf](#)

Status: 5/23/2025-In committee: Hearing postponed by committee.

Location: 4/9/2025-A. APPR. SUSPENSE FILE

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Existing law requires school districts, county offices of education, and charter schools to provide emergency epinephrine auto-injectors to school nurses or trained volunteer personnel, and authorizes school nurses and trained personnel to use epinephrine auto-injectors to provide emergency medical aid to persons suffering, or reasonably believed to be suffering, from an anaphylactic reaction, as provided. Existing law requires school districts, county offices of education, and charter schools to, among other things, store those emergency epinephrine auto-injectors in an accessible location upon need for emergency use and include that location in specified annual notices. Existing law authorizes a pupil to carry and self-administer prescription auto-injectable epinephrine if the school district receives specified written statements from a physician and surgeon or a physician assistant, and from the parent, foster parent, or guardian of the pupil, as specified. This bill would replace all references to epinephrine auto-injectors or auto-injectable epinephrine in the above-described provisions with references instead to epinephrine delivery systems, as defined, and would require school districts, county offices of education, and charter schools to instead provide at least one type of United States Food and Drug Administration-approved epinephrine delivery system, as specified. To the extent the bill would impose additional duties on local educational agencies, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

(Quirk-Silva D) Fire safety: fire hazard severity zones: State Fire Marshal.

Current Text: Amended: 7/10/2025 [html](#) [pdf](#)

Last Amend: 7/10/2025

Status: 8/29/2025-Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/18/2025)(May be acted upon Jan 2026)

Location: 8/28/2025-S. 2 YEAR

Desk	Policy	Fiscal	Floor	Desk	Policy	2 year	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered	
1st House				2nd House								

Summary: Existing law requires the State Fire Marshal to classify lands within state responsibility areas into fire hazard severity zones, and, by regulation, designate fire hazard severity zones and assign to each zone a rating reflecting the degree of severity of fire hazard that is expected to prevail in the zone. Existing law requires the State Fire Marshal to periodically review designated and rated zones and, as necessary, revise zones or their ratings or repeal the designation of zones. Existing law also requires the State Fire Marshal to identify areas in the state that are not state responsibility areas as moderate, high, and very high fire hazard severity zones based on consistent statewide criteria and based on the severity of fire hazard that is expected to prevail in those areas, and to periodically review and, as necessary, make recommendations relative to very high fire hazard severity zones. This bill would prohibit the State Fire Marshal’s determination of fire hazard severity zone, in both state responsibility areas and lands that are not state responsibility areas, from being based on risk mitigation activities. The bill would, as applied to both state responsibility areas and lands that are not state responsibility areas, authorize the State Fire Marshal, in periods between the State Fire Marshal’s review of areas of the state for recommendations regarding an area’s fire hazard severity zone, to confer with entities, including, but not limited to, public agencies, tribes, nonprofit organizations, project applicants, and members of the public, on actions that may impact the degree of fire hazard in an area or the area’s recommended fire hazard severity zone designation. The bill would authorize the State Fire Marshal to provide a written response to an entity on actions that may impact the degree of fire hazard and would require this written response to be posted on the State Fire Marshal’s internet website. This bill would authorize those entities to provide information to the State Fire Marshal on wildfire safety improvements or other actions the entity has taken or plans to take, and any information submitted to or by the department, as specified, before the next review that may impact the degree of fire hazard in an area or the area’s fire hazard severity zone designation. The bill would authorize the State Fire Marshal to consider this information in the next review and would require any documentation provided to the State Fire Marshal to be posted in a manner that is easily accessible on the State Fire Marshal’s internet website. This bill contains other related provisions and other existing laws.

(Bauer-Kahan D) Data brokers: elected officials and judges.

Current Text: Amended: 7/17/2025 [html](#) [pdf](#)

Last Amend: 7/17/2025

Status: 8/29/2025-Failed Deadline pursuant to Rule 61(a)(11). (Last location was APPR. SUSPENSE FILE on 8/18/2025)(May be acted upon Jan 2026)

Location: 8/28/2025-S. 2 YEAR

Desk	Policy	Fiscal	Floor	Desk	Policy	2 year	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered	
1st House				2nd House								

Summary: The California Consumer Privacy Act of 2018 (CCPA) grants a consumer various rights with respect to personal information, as defined, that is collected or sold by a business, as defined, including the right to request that a business delete any personal information about the consumer that the business has collected from the consumer. The California Privacy Rights Act of 2020, approved by the voters as Proposition 24 at the November 3, 2020, statewide general election, amended, added to, and reenacted the CCPA and establishes the California Privacy Protection Agency (agency) and vests the agency with full administrative power, authority, and jurisdiction to enforce the CCPA. Existing law requires the agency to establish an accessible deletion mechanism that, among other things, allows a consumer to request the deletion of all personal information related to that consumer through a single deletion request. Existing law requires, beginning August 1, 2026, a data broker to access the accessible deletion mechanism at least once every 45 days and, within 45 days after receiving a request, process all deletion requests and delete all personal information related to the consumers making the requests, as prescribed. Existing law requires a data broker to delete all personal information of the consumer at least once every 45 days unless the consumer requests otherwise, as prescribed. Existing law defines “data broker” to mean a business, as defined, that knowingly collects and sells to third parties the personal information of a consumer with whom the business does not have a direct relationship, except as provided. This bill would require the agency to obtain a list of all state and local elected officials, would require the Judicial Council to provide the agency with a list of all California judges, and would require the agency to allow elected officials or a judges to remove their information from those lists, as prescribed. The bill would require the lists to be kept confidential, as specified. The bill would also require the agency to upload the lists to the accessible deletion mechanism described above and, beginning August 1, 2026, require an entity receiving a notification that a deletion is required to do so within 5 days. This bill would authorize an

elected official or judge who is on a list described above, the Attorney General, a county counsel, or a city attorney to bring an action for a violation of the bill, as prescribed. This bill contains other related provisions and other existing laws.

AB 339 **(Ortega D) Local public employee organizations: notice requirements.**

Current Text: Enrollment: 9/15/2025 [html](#) [pdf](#)

Last Amend: 8/29/2025

Status: 9/15/2025-Enrolled and presented to the Governor at 4:30 p.m.

Location: 9/15/2025-A. ENROLLED

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Existing law, the Meyers-Milias-Brown Act, contains various provisions that govern collective bargaining of local represented employees and delegates jurisdiction to the Public Employment Relations Board to resolve disputes and enforce the statutory duties and rights of local public agency employers and employees. Existing law requires the governing body of a public agency to meet and confer in good faith regarding wages, hours, and other terms and conditions of employment with representatives of recognized employee organizations. Existing law requires the governing body of a public agency, and boards and commissions designated by law or by the governing body, to give reasonable written notice, except in cases of emergency, as specified, to each recognized employee organization affected of any ordinance, rule, resolution, or regulation directly relating to matters within the scope of representation proposed to be adopted by the governing body or the designated boards and commissions. This bill would require the governing body of a public agency, and boards and commissions designated by law or by the governing body of a public agency, to give the recognized employee organization no less than 45 days' written notice before issuing a request for proposals, request for quotes, or renewing or extending an existing contract to perform services that are within the scope of work of the job classifications represented by the recognized employee organization, subject to certain exceptions. The bill would require the notice to include specified information, including the anticipated duration of the contract. The bill would also require the public agency, if an emergency or other exigent circumstance prevents the public agency from providing the written notice described above, to provide as much advance notice as is practicable under the circumstances. By imposing new duties on local public agencies, the bill would impose a state-mandated local program. This bill contains other existing laws.

Notes: Possibly oppose.

AB 384 **(Connolly D) Health care coverage: mental health and substance use disorders: inpatient admissions.**

Current Text: Amended: 3/17/2025 [html](#) [pdf](#)

Last Amend: 3/17/2025

Status: 5/23/2025-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/14/2025)(May be acted upon Jan 2026)

Location: 5/23/2025-A. 2 YEAR

Desk	Policy	2 year	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Existing law, the Knox-Keene Health Care Service Plan Act of 1975, provides for the licensure and regulation of health care service plans by the Department of Managed Health Care, and makes a willful violation of the act a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law requires a health care service plan or health insurer to ensure that processes necessary to obtain covered health care services, including, but not limited to, prior authorization processes, are completed in a manner that assures the provision of covered health care services to an enrollee or insured in a timely manner appropriate for the enrollee's or insured's condition, as specified. This bill, the California Mental Health Protection Act, would prohibit a health care service plan contract or health insurance policy issued, amended, or renewed on or after January 1, 2027, that provides coverage for mental health and substance use disorders from requiring prior authorization (1) for an enrollee or insured to be admitted for medically necessary 24-hour care in inpatient settings for mental health and substance use disorders, as specified, and (2) for any medically necessary health care services provided to an enrollee or insured while admitted for that care. The bill would authorize the Director of the Department of Managed Health Care or the Insurance Commissioner, as applicable, to assess administrative or civil penalties, as specified, for violations of these provisions. Because a willful violation of these provisions by a health care service plan would be a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

1st House				2nd House							

Summary: Existing law authorizes a private ambulance owner to operate an emergency ambulance service upon obtaining a license from the Department of the California Highway Patrol, as specified. This bill would authorize those license holders or a person who operates ambulances owned or operated by a fire department of a federally recognized Indian tribe to transport a police canine, as defined, or a search and rescue dog, as defined, that is injured in the line of duty, to a veterinary clinic or similar facility if there is no other person requiring medical attention or transport at that time. The bill would require an ambulance operator, except as specified, that provides transport to police canines or search and rescue dogs injured in the line of duty to develop policies regarding the transport of these dogs. The bill would require these policies to be submitted to, and approved by, the local emergency medical services agency. This bill contains other related provisions and other existing laws.

Summary: Existing law, the California Emergency Services Act, authorizes the Governor to proclaim a state of emergency, as defined, under specified circumstances. Existing law defines a "first responder" as an employee of the state or a local public agency who provides emergency response services. Existing law makes it a misdemeanor to impersonate certain first responders, including a member of a fire department. This bill would state the intent of the Legislature to enact legislation relating to the impersonation of first responders during a state of emergency.

Summary: Existing law, the Child Abuse and Neglect Reporting Act, establishes procedures for the reporting and investigation of suspected child abuse or neglect. The act requires certain professionals, including specified health practitioners and social workers, known as "mandated reporters," to report known or reasonably suspected child abuse or neglect to a local law enforcement agency or a county welfare or probation department, as specified. This bill would require the State Department of Social Services, through the State Office of Child Abuse Prevention, to, by no later than July 1, 2027, develop a standardized curriculum for mandated reporters, and to make that training available on its internet website. The bill would, except as provided, require an employer having one or more mandated reporters to ensure completion of the training within the first 3 months of the mandated reporter's employment, or on or before March 1, 2030, whichever is later. The bill would require completion of the training to be documented in a manner that would allow the department to verify completion upon request. This bill contains other related provisions and other existing laws.

Summary: Existing law requires an application to be filed with the State Energy Resources Conservation and Development Commission for certification of a site and related facility that includes an electrical transmission line or thermal powerplant, or both. Existing law requires the application to contain, among other information, a description of any electrical transmission lines, a map of the proposed route and existing transmission lines, justification for the proposed route, and a preliminary description of the effect of the proposed electrical transmission lines on the environment, ecology, and scenic, historic, and recreational values, as specified. This bill would remove the requirement that the application include the information described above, and would require that the application also contain an emergency response and action plan, to be paid for by the applicant, that incorporates impacts to the surrounding areas in the event of an emergency and that would be conducted and coordinated with local emergency management agencies, unified program agencies, and local first response agencies. This bill contains other related provisions and other existing laws.

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Existing law, the Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act (act), establishes the Emergency Medical Services Authority, which is responsible for the coordination of various state activities concerning emergency medical services (EMS). The act authorizes a county to develop an EMS program by designating a local EMS agency. Existing law also requires the Commission on Emergency Medical Services to review and approve regulations, standards, and guidelines to be developed by the authority. Existing law generally makes a violation of the act a misdemeanor. This bill would require, by January 1, 2027, a public safety agency that provides "911" call processing services for emergency medical response to provide prearrival medical instructions to "911" callers requiring medical assistance, including, among other things, airway and choking medical instructions for infants, children, and adults and administration of naloxone for narcotics overdoses. The bill would require prearrival medical instructions to be approved by the local EMS agency medical director and implemented consistent with the medical protocols and procedures adopted by the public safety agency. By expanding the scope of a crime, and to the extent that the bill would create new duties for a public safety agency, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

1st House				2nd House							

Summary: Existing law, the California Emergency Services Act, among other things, creates the Office of Emergency Services, which is responsible for the state's emergency and disaster response services, as specified. Existing law requires the Governor to coordinate the State Emergency Plan and the preparation of plans and programs for the mitigation of the effects of an emergency by the political subdivisions of this state. Existing law defines the terms "political subdivision" and "emergency plans" for purposes of emergency services provided by local governments. Existing law requires the governing body of each political subdivision of the state to carry out the provisions of the State Emergency Plan. Existing law requires the office to establish best practices for counties developing and updating a county emergency plan and a process for a county to request that the office review a county's emergency plan by January 1, 2022. This bill would require each county to review and update its emergency plan at least every 2 years. Because the bill would require local officials to perform additional duties, the bill would impose a state-mandated local program. The bill would remove the January 1, 2022, date specified above, and would remove another reference to that date. This bill contains other related provisions and other existing laws.

Summary: (1)Existing law authorizes specified drowning or injury prevention organizations (DIP organization) to provide informational materials, in electronic or hardcopy form, to a public school regarding specified topics relating to drowning prevention. Existing law requires a DIP organization that chooses to provide informational materials to provide, upon request by a public school, the informational materials in the 3 most commonly spoken languages associated with the population attending the school. This bill would instead require a DIP organization that chooses to provide informational materials to provide, upon request by a public school, the informational materials in English and would encourage the DIP organization to provide informational materials in the other most commonly spoken languages associated with the population attending the school. The bill would require a DIP organization that chooses to provide informational materials to a public school to provide those materials at no cost to the public school, allow the school to offer copies of the materials to pupils and parents, and provide written evidence to a school administrator that demonstrates that the informational materials provided by the DIP organization align with the drowning, drowning prevention, water safety, rescue, and swim skills lesson information found on the drowning prevention web page of the federal Centers for Disease Control and Prevention, as provided. The bill also would require the State Department of Education, in consultation with the State Department of Developmental Services and the State Department of Public Health, to gather and make available on its internet website school-based water safety and drowning prevention education resources and curriculum, as provided. The bill would authorize public schools to provide to their pupils those water safety informational materials identified by the department and provided by a DIP organization, as provided.

1st House				2nd House							

Summary: Existing law, the California Community Care Facilities Act, provides for the licensing and regulation of community care facilities by the State Department of Social Services, including adult day programs and residential facilities. A violation of provisions relating to these facilities is a misdemeanor. This bill would authorize a licensed facility or licensee, as defined, upon receipt of a request from a client, or the authorized representative of a client, who has been diagnosed with seizures, a seizure

disorder, or epilepsy and who has been prescribed intranasal emergency antiseizure medication, to allow an administrator or authorized volunteer, as defined, to administer intranasal emergency antiseizure medication to the client during a seizure emergency. The bill would require the department, on or before January 1, 2028, to establish minimum standards for this training, as specified. The bill would prohibit intranasal emergency antiseizure medication from being administered to a client unless the licensee has a seizure action plan for the client that contains specified information, including, among other things, a signed written authorization verifying that a seizure experienced by the client may be responded to at the licensee by a nonmedical professional, including through the administration of emergency antiseizure medication, as specified. The bill would require licensees to maintain with the client's seizure action plan a description of how the licensee will coordinate care for a client in the absence of an administrator or authorized volunteer and what actions will be taken to ensure the continued safety of the client. The bill would require licensed facilities to provide a specified notice to all administrators and authorized volunteers that, among other things, informs them of their right to rescind an offer to volunteer at any time, as specified, and explains the liability protections and indemnification requirements described below. The bill would require any licensee that authorizes administrators or authorized volunteers to ensure that each administrator or authorized volunteer will be provided defense and indemnification for any and all civil liability, as specified. The bill would prohibit an administrator or authorized volunteer who administers intranasal emergency antiseizure medication, any person who provides training to an administrator or authorized volunteer, or any person who otherwise complies with the requirements of the above-described provisions, in good faith and not for compensation, from being subject to professional review, civil liability, or criminal prosecution for their actions or omissions, or the actions or omissions of a volunteer, as specified. By expanding the scope of an existing crime, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Summary: Existing law, the California Emergency Services Act, establishes the Office of Emergency Services within the Governor's office under the supervision of the Director of Emergency Services and makes the office responsible for the state's emergency and disaster response services for natural, technological, or manmade disasters and emergencies. Existing law requires, during any state of war emergency, or state of emergency when the need arises for outside aid in any county, city and county, or city, aid to be rendered in accordance with approved emergency plans. In periods other than a state of war emergency, a state of emergency, or a local emergency, existing law authorizes state agencies and political subdivisions to exercise mutual aid powers in accordance with the Master Mutual Aid Agreement and local ordinances, resolutions, agreements, or plans. The act requires the Office of Emergency Services, in consultation with relevant local and state agencies, to develop and adopt a state fire service and rescue emergency mutual aid plan that meets specified criteria. This bill would require the Office of Emergency Services to establish the Firefighting Mutual Aid and Prepositioning Program for specified purposes, including to support the implementation of the state fire service and rescue emergency mutual aid plan, as described above, and to establish a reimbursement program to allow firefighting agencies deployed under the state's Master Mutual Aid Agreement to pay for costs, as specified.

1st House				2nd House							

Summary: Existing law establishes the Medi-Cal program, which is administered by the State Department of Health Care Services and under which qualified low-income individuals receive health care services, including emergency or nonemergency medical or nonmedical transportation services. The Medi-Cal program is, in part, governed and funded by federal Medicaid program provisions. Under this bill, commencing on July 1, 2027, and subject to an appropriation, Medi-Cal fee-for-service reimbursement for nonemergency ambulance transportation services, as defined, would be in an amount equal to 80% of the amount set forth in the federal Medicare ambulance fee schedule for the corresponding level of service, adjusted by the Geographic Practice Cost Index, as specified. The bill would require the department to establish a Medi-Cal managed care directed payment program for nonemergency ambulance transportation services, with the reimbursement rates set in an amount equal to at least the amount set forth under fee-for-service reimbursement. The bill would require the department to maximize federal financial participation in implementing the above-described provisions to the extent allowable. To the extent that federal financial participation is unavailable, the bill would require the department to implement the provisions using state funds, as specified. This bill contains other related provisions and other existing laws.

Summary: Existing law establishes the Division of Labor Standards Enforcement within the Department of Industrial Relations. Existing law authorizes the division, which is headed by the Labor Commissioner, to enforce the Labor Code and all labor laws of the state the enforcement of which is not specifically vested in any other officer, board or commission. This bill would limit the use of workplace surveillance tools, as defined, by employers, including by prohibiting an employer from monitoring or surveilling workers in employee-only, employer-designated areas, as specified. The bill

would provide workers with the right to leave behind workplace surveillance tools that are on their person or in their possession when entering certain employee-only areas and public bathrooms and during off-duty hours, as specified. The bill would prohibit a worker from removing or physically tampering with any component of a workplace surveillance tool that is part of or embedded in employer equipment or vehicles. This bill would subject an employer who violates the bill to a civil penalty of \$500 per violation and would authorize a public prosecutor to bring specified enforcement actions.

1st House				2nd House							

Summary: Existing law, the Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act, governs local emergency medical services (EMS) systems, authorizes each county to develop an EMS program and designate a local EMS agency, and requires the Emergency Medical Services Authority to receive plans for the implementation of EMS systems from local EMS agencies, as specified. Existing law requires a county to enter into a written agreement with a city or fire district that contracted for or provided prehospital EMS as of June 1, 1980. Existing law requires, until that written agreement is reached, prehospital EMS to be continued at not less than the existing level and the administration of prehospital EMS by cities and fire districts contracting for or providing those services as of June 1, 1980, to be retained by those cities and fire districts, as specified. This bill would authorize a county board of supervisors or the governing body of an entity or a joint powers agency designated as the local EMS agency by the board of supervisors to provide ambulance services to persons located within the county's jurisdiction by specified means, including assigning the duty of providing ambulance services to residents of the county to an existing county department and providing the department with the necessary staffing, vehicles, and equipment to provide ambulance services. The bill would require a county board of supervisors or a local EMS agency to adopt a written policy, including specified requirements, for an emergency ambulance services provider in order to enter into a contract with a provider for emergency ambulance services and would include required provisions for those contracts. The bill would make related findings and declarations.

Desk	Policy	Fiscal	Floor	Desk	Policy	2 year	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Existing law, the California Uniform Controlled Substances Act, categorizes controlled substances into 5 schedules and places the greatest restrictions on those substances contained in Schedule I. Under existing law, the substances in Schedule I are deemed to have a high potential for abuse and no accepted medical use while substances in Schedules II through V are substances that have an accepted medical use, but have the potential for abuse. Existing law restricts the prescription, furnishing, possession, sale, and use of controlled substances, and makes a violation of those laws a crime, except as specified. Existing law defines drug paraphernalia and prohibits, among other things, the manufacture, sale, and possession, as specified, of drug paraphernalia. Existing law excludes from these prohibitions any testing equipment that is designed, marketed, used, or intended to be used to analyze a substance for the presence of fentanyl, ketamine, gamma hydroxybutyric acid, or any analog of fentanyl. This bill would add xylazine to the list of Schedule III substances, as specified. If an animal drug containing xylazine that has been approved under the federal Food, Drug and Cosmetic Act is not available for sale in California, the bill would create an exception for a substance that is intended to be used to compound an animal drug, as specified. The bill would exclude from the prohibitions on paraphernalia any testing equipment to analyze a substance for the presence of xylazine. By creating a new crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Summary: Existing law establishes the Division of Labor Standards Enforcement, headed by the Labor Commissioner, within the Department of Industrial Relations, for the purpose of enforcing labor laws. Existing law prescribes the duties and rights of employers and employees relating to specified labor laws, including, among other things, workers' compensation and notice requirements related to inspections conducted by an immigration agency. This bill would establish the Workplace Know Your Rights Act. The bill would require an employer, on or before February 1, 2026, and annually thereafter, to provide a stand-alone written notice to each current employee of specified workers' rights, including, among other things, the categories described above, as well as constitutional rights of an employee when interacting with law enforcement at the workplace, as specified. The bill would also require the employer to provide the written notice to each new employee upon hire and to provide the written notice annually to an employee's authorized representative, if any. This bill would require the Labor Commissioner to develop a template notice that an employer may use to comply with the notice requirement described above. The bill would require the Labor Commissioner to post the template notice on its internet website on or before January 1, 2026, and to post an updated template notice annually thereafter. The bill would also require the Labor Commissioner, on or before July 1, 2026, to develop a video for employees advising them of their rights under the areas described above and to develop a video for employers advising them of their rights and requirements under those areas, as provided. The bill would require the Agricultural Labor Relations Board, the Public Employment Relations Board, and the Attorney General's office to provide specified input for the template notice and the videos. Desk	Policy	2 year	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: The California Emergency Services Act authorizes the Governor to declare a state of emergency, and local officials and local governments to declare a local emergency, when specified conditions of disaster or extreme peril to the safety of persons and property exist. Existing law establishes the Office of Emergency Services within the office of the Governor and charges it with responsibility for the state's emergency and disaster response services for natural, technological, or manmade disasters and emergencies, including responsibility for activities necessary to prevent,

respond to, recover from, and mitigate the effects of emergencies and disasters upon people and property. Existing law requires the Office of Emergency Services, in consultation with, at minimum, telecommunications carriers, the California cable and broadband industry, radio and television broadcasters, the California State Association of Counties, the League of California Cities, the access and functional needs community, appropriate federal agencies, and the Standardized Emergency Management System Alert and Warning Specialist Committee, to develop guidelines for alerting and warning the public of an emergency. This bill would require the office to establish a statewide emergency alert system called California Alert. The bill would require California Alert to utilize Wireless Emergency Alerts authorized by the Integrated Public Alert Warning System, the Federal Emergency Management Agency's national system for local alerting that provides authenticated emergency information to the public through mobile phones within a designate cell tower's coverage area. The bill would require the office to contract with a private vendor that provides alerting systems to send California Alerts to registered phone numbers that are not location based. The bill would require the office to establish standards for issuing emergency alerts to California residents across local jurisdictional boundaries.

Summary: Existing law provides for the licensure of clinics and various health facilities, including skilled nursing facilities and intermediate care facilities, by the State Department of Public Health. Existing law, the Long-Term Care, Health, Safety, and Security Act of 1973, generally requires the department to license, inspect, and regulate long-term health care facilities, including skilled nursing facilities. Existing law makes it a misdemeanor for any person to willfully or repeatedly violate the act, as specified. Existing regulations require skilled nursing facilities to adopt and follow a written external disaster and mass casualty program plan developed with the advice and assistance of county or regional and local planning offices. This bill would require skilled nursing facilities to review the external disaster and mass casualty program plan at least once per year. The bill would require, in adopting and updating the plan, skilled nursing facilities to, among other things, seek input from county or regional and local planning offices, including the medical health operational area coordinator (MHOAC). By expanding the scope of an existing crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

1st House				2nd House							

Summary: Existing law authorizes a general acute care hospital, as defined, to offer special services, including, but not limited to, emergency medical services. Existing law establishes the Department of Health Care Access and Information to oversee and administer various health programs related to health care infrastructure, such as health policy and planning, health professions development, and facilities design review and construction, among others. This bill would require the Department of Health Care Access and Information to conduct a feasibility study on the implementation of freestanding emergency departments, as defined, in rural, disadvantaged, and underserved areas with limited access to emergency care. The bill would require that the study be conducted in collaboration with certain stakeholders and that the department issue a report to the Legislature, on or before January 1, 2027, with its findings and recommendations. The bill would appropriate an unspecified amount from the General Fund to the department for those purposes. The bill would repeal these provisions on January 1, 2031.

1st House				2nd House							

Summary: Existing law establishes the Department of Health Care Access and Information to oversee and administer various health programs related to health care infrastructure, such as health policy and planning, health professions development, and facilities design review and construction, among others. Existing law requires the California Health and Human Services Agency to establish the California Health and Human Services Data Exchange Framework to require the exchange of health information among health care entities and government agencies in the state, among other things. Existing law requires the agency to convene a stakeholder advisory group to advise on the development of implementation of the California Health and Human Services Data Exchange Framework. This bill would require the Department of Health Care Access and Information, on or before January 1, 2026, to take over the establishment, implementation, and all of the functions related to the California Health and Human Services Data Exchange Framework, including the data sharing agreement and policies and procedures, from the agency. The bill would expand the entities that are specifically required to execute a data sharing agreement with the California Health and Human Services Data Exchange Framework. The bill would require the department, no later than July 1, 2026, to establish a process to designate qualified health information organizations as data sharing intermediaries that have demonstrated their ability to meet requirements of the California Health and Human Services Data Exchange Framework. The bill would require the department, by July 1, 2027, and in collaboration with the stakeholder advisory group, to develop and submit a report to the Legislature on the California Health and Human Services Data Exchange Framework, including compliance with data sharing agreements. The bill would expand the membership of the stakeholder advisory group, as specified.

SB 669 **(McGuire D) Rural hospitals: standby perinatal services.**

Current Text: Enrollment: 9/22/2025 [html](#) [pdf](#)

Last Amend: 9/5/2025

Status: 9/22/2025-Enrolled and presented to the Governor at 2 p.m.

Location: 9/22/2025-S. ENROLLED

Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Existing law finds and declares that prenatal care, delivery service, postpartum care, and neonatal and infant care are essential services necessary to assure maternal and infant health, and that these services are not currently distributed so as to meet the minimum maternal and infant health needs of many Californians. Existing law requires the State Department of Public Health to develop and maintain a statewide community-based comprehensive perinatal services program, as specified, to deliver services in medically underserved areas or areas with demonstrated need. The bill would require the department to develop a template to collect and evaluate data on safety, outcomes, utilization, and populations served under the pilot project, as specified. The bill would require the department to prepare and submit an evaluation to the Legislature and to make the evaluation publicly available. This bill contains other related provisions and other existing laws.

SB 796 **(Richardson D) Emergency medical services: state-employed public safety personnel: optional first aid skills.**

Current Text: Amended: 4/28/2025 [html](#) [pdf](#)

Last Amend: 4/28/2025

Status: 5/23/2025-Failed Deadline pursuant to Rule 61(a)(5). (Last location was APPR. SUSPENSE FILE on 5/12/2025)(May be acted upon Jan 2026)

Location: 5/23/2025-S. 2 YEAR

Desk	Policy	2 year	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
1st House				2nd House							

Summary: Existing law requires specified lifeguards, firefighters, and peace officers to be trained to administer first aid and cardiopulmonary resuscitation (CPR). Existing law requires the training to meet standards prescribed by the Emergency Medical Services Authority, and to be provided at no cost to the lifeguard or firefighter employee. Existing regulations authorize those lifeguards, firefighters, and peace officers to perform specified optional first aid and CPR skills if the lifeguard, firefighter, or peace officer has been trained and tested to demonstrate competence and if authorized by the medical director of the local emergency medical services agency. This bill would require the authority to act as the authorizing entity for the optional first aid and CPR skills for the lifeguards, firefighters, and peace

officers described above that are employed by a state agency, and would require the authority to develop and implement quality assurance and improvement measures, as specified, to ensure the safe and effective use of those skills.

Total Measures: 30

Total Tracking Forms: 30

7. Quarterly APOT Report

Assembly Bill 40, signed into law by the governor on October 13th, 2023, requires every local EMS agency, by July 1, 2024, to develop a standard not to exceed 30 minutes, 90% of the time, for ambulance patient offload time and report the standardized time to the authority.

For hospitals to meet the AB 40 mandates, the graph below would need to be reporting at the 10% line or below.

8. Quarterly Ambulance Response Time Compliance

9. 2025 EMCAB Meeting Dates

EMCAB Meeting Dates 2026

The proposed EMCAB meeting dates for 2026 are as follows:

Thursday – February 12th, 2026
Thursday – May 14th, 2026
Thursday – August 13th, 2026
Thursday – November 12th, 2026

These meetings will be held in the Kern County Board of Supervisors Chambers,
Located at 1115 Truxtun ave. Bakersfield CA 93301.

The deadline for the submission of agenda items for each of the four meetings in 2026
is Thursday, fourteen (14) days prior to the meeting date at 5:00 PM.

Therefore, IT IS RECOMMENDED, the Board approve the 2025 EMCAB meeting dates.

10 Minutes

Meeting Minutes**KERN COUNTY EMERGENCY MEDICAL CARE ADVISORY BOARD (EMCAB)**

Kern County Administrative Center
Board of Supervisors Chambers
1115 Truxtun Avenue
Bakersfield CA, 93301

REGULAR MEETING**THURSDAY – August 14, 2025****4:00 P.M.**

Call to Order – Jeff Flores Chair

Roll Call:

Supervisor Jeff Flores, Sheriff Youngblood, Deputy Chief Linville, Leslie Wilmer, Orchel Krier, Scott Hurlbert, Dr. Franklin, Tyler Whitezell, John Surface, Dr. Lyon.

We have a quorum.

SALUTE TO FLAG – Scott Hurlbert

Consent Agenda (CA):

All items listed with a “CA” are considered by program staff to be routine and non-controversial. The “CA” represents the consent agenda for the Board members of EMCAB. Consent items will be considered first and may be approved in one motion. If a member of the audience wishes to comment or ask questions regarding an item or items on the consent agenda, they may do so prior to a vote being taken on the consent agenda. A member of EMCAB may remove any item from the consent agenda and it will be considered in listed sequence with an opportunity for any member of the public to address EMCAB concerning the item before action is taken.

AMERICAN’S WITH DISABILITIES ACT

(Government Code Section 54953.2)

The Board of Supervisors Chamber is accessible to persons with disabilities. Disabled individuals who need special assistance to attend or participate in a meeting of the Kern County Emergency Medical Care Advisory Board may request assistance at the Kern County Public Health at 1800 Mount Vernon Avenue, Bakersfield, 93306 or by calling (661) 321-3000. Every effort will be made to reasonably accommodate individuals with disabilities by making meeting materials available in alternative formats. Requests for assistance should be made at least three (3) working days in advance whenever possible.
